

About us

Young Internet GmbH is Europe's leading website provider for children. Our most popular product Panfu (www.panfu.com) is a virtual world with 10 million registered users since 2008. It is the largest website for children in Europe, providing them with access to safe, learning-oriented multi-player online games. With prominent presence in Germany, France, Spain, Britain, Poland, the Netherlands, Scandinavia, South America and the USA, Panfu belongs to one of the fastest growing communities on the Internet.

To strengthen the Panfu Team, we are looking for:

Flash Intern (m/f)

Your job description

- Insight into modular enhancements of the platform in AS3
- Fundamentals of Flash game development
- Features development
- Creation of tools for the optimization of standard processes

Your profile

- You have a completed job training/have studied computer science or a related field and are a talented programmer who distinguishes himself through creative solutions and ideas
- You are self-sufficient and dependable
- You have an excellent understanding of Actionscript 2/3 and object-oriented programming
- You yourself are a gamer and enjoy developing program codes
- You are a structured Flash developer who applies both existing and new concepts and prototypes
- You have a good knowledge of English

What we offer

- Integration into a successful, international and cooperative team
- Comfortable, yet challenging work environment in which responsibility plays a top factor
- Development of a long-term project which will be accessed by hundreds of thousands of children
- Room for creativity and new ideas
- Active knowledge management and advanced team training
- Generous office in Berlin-Mitte (complete with kicker, a refrigerator and a sofa)

Information

- Length: 3-6 months
- Location: Berlin, Torstr. 35
- Salary: negotiable

We look forward to receiving compelling applications at jobs@young-internet.com!
