

About us

Young Internet GmbH is Europe's leading website provider for children. Our most popular product Panfu (www.panfu.com) is a virtual world with 10 million registered users since 2008. It is the largest website for children in Europe, providing them with access to safe, learning-oriented multi-player online games. With prominent presence in Germany, France, Spain, Britain, Poland, the Netherlands, Scandinavia, South America and the USA, Panfu belongs to one of the fastest growing communities on the Internet.

To strengthen the Panfu Team, we are looking for:

PHP Intern (m/f)

Your job description

- Maintenance and further development of the existing HTML site
- Development of a content management system
- Maintenance and expansion of a payment gateway

Your job requirements

- Programming and project experience
- High proficiency in PHP, MySQL, HTML, CSS, JavaScript and the web service area
- Competence in Ajax and PHP-Frameworks (e.g. CakePHPs, Zend) is to an advantage
